Poster Presentation Criteria:
Poster board surface area is 3’ high and 6’ wide.

Prepare a label indicating the title of your paper, and the author(s) for the top of your poster space.

The lettering for this section should not be less than 1” (2.54 cm or 72 point) high.

A copy of your abstract (300 words or less), in large typescript, should be posted in the upper lefthand corner of the poster board. Do not mount illustrations on heavy board because these may be difficult to keep in position on the poster board. Bear in mind that your illustrations will be viewed from distances of 3’ (113 cm) or more. All lettering should be at least 3/8” (.95 cm or 27 point) high, preferably in a bold font, or if hand-lettered, written with a regular felt-tip pen (not fine-point). Be sure to provide a clear label for each section of your presentation.
